

Appln. Serial No. 09/885,448
Reply to final Office Action mailed on May 6, 2005

REMARKS

Upon entry of the above amendment, claims 1-5, 18-20 and 31-38 are pending in the application, with claims 1, 18, 31 and 36 being the independent claims. Claims 1, 18, 31 and 36 are sought to be amended. Entry and consideration of this amendment is respectfully requested. No new matter is believed to have been introduced by this amendment.

Applicant has made the above amendment to more particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Based on the above amendment and the following remarks, Applicant respectfully requests that the Examiner reconsider and withdraw all outstanding rejections.

Rejections under 35 U.S.C. § 102(b)

Claims 1-5, 18-20, 31-38 are rejected under 35 U.S.C. § 102(b) as being allegedly unpatentable over U.S. Patent No. 4,965,743 to Malin et al. (hereinafter referred to as "Malin"). Applicant respectfully traverses these rejections since Malin does not appear to teach or suggest each element of amended independent claims 1, 18, 31 and 36 for at least the following reason.

Independent claims 1, 18, 31 and 36 have been amended to include the similar feature of replacing a found instance of the predetermined behavior with a replacement sequence of events, wherein the replacement sequence of events is an abstract event of a higher level than the system events that comprise the predetermined behavior. Malin does not appear to teach or suggest this feature. Therefore, for at least this reason, independent claims 1, 18, 31 and 36

(and their dependent claims 2-5, 19, 20, 32-35, 37 and 38) are patentable over Malin.

Accordingly, Applicant respectfully requests that the rejections under 35 U.S.C. § 102(b) be reconsidered and withdrawn.

INVITATION FOR A TELEPHONE INTERVIEW

The Examiner is invited to call the undersigned, Molly A. McCall, at (703) 633-3311 if there remains any issue with allowance of the case.

CONCLUSION

Applicant respectfully submits that all of the stated grounds of rejection have been properly traversed accommodated or rendered moot. Applicant believes that a full and complete response has been made to the outstanding Office Action. Thus, Applicant believes that the present application is in condition for allowance, and as such, Applicant respectfully requests reconsideration and withdrawal of the outstanding rejections, and allowance of this application.

Respectfully submitted,

Intel Corporation
